HEADQUARTERS
UNITED STATES FORCES IN AUSTRIA
S.B.U., W.D. MISSION TO AUSTRIA
APO 777, U.S. ARMY

13 August 1946

SUBJECT: Mr. Zsolt Aradi

TO WHOM IT MAY CONCERN:

This is to certify that Mr. Zsolt Aradi, a stateless Hungarian, was in the United States Zone of Austria on or before December 22, 1945.

Because of his known anti-Nazi stand and because of the fact that one of his grand parents was of Jewish extraction, Mr. Aradi was persona non grata in Hungary during the war. For two years he engaged in confidential army work for the American Armed Forces.

Mr. Aradi came to Austria at the request of this organization to assist in the roundup of Hungarian war criminals. In view of the confidential nature of his work he was requested not to register with the UNRRA as a displaced person at that time.

It is believed that Mr. Aradi qualifies as a displaced person under Article 5 of the State Department letter interpreting the President's directive, that is, Mr. Aradi is one of those who has reasonable grounds of fear to return because of political, racial, or religious persecution.
